Dear Claims Administrator:

I am counsel for Koch Companies Public Sector, LLC and represent the interests of Koch Industries, Inc. and affiliated companies (collectively "Koch").

Re: In re Washington Mutual, Inc. Securities Litigation

Dear Mr. Fazio:

I am writing to follow up on the voice mail that I left for you. We received a copy of your letter, dated September 8, 2011, requesting exclusion on behalf of Koch Companies Public Sector, LLC, Koch Industries, Inc. and affiliated companies (collectively "Koch") from the Class in the above-referenced matter. Your request, however, does not provide the information called for with respect to requests for exclusion as set forth in the Court-approved Notice of (I) Pendency of Class Action and Proposed Settlements; (II) Settlement Fairness Hearing; and (III) Motion for an Award of Attorneys' Fees and Reimbursement of Litigation Expenses (the "Notice") (*see* paragraphs 82 and 83 of the Notice). Indeed, the request submitted is devoid of any information regarding transactions by Koch in WMI Class Securities and as such, there is no way of determining whether Koch is even a member of the Class. The submitted request for exclusion is not valid.

If you would like to attempt to cure the deficiency in the request for exclusion or discuss the matter further, please call me as soon as possible.

Very truly yours,

Rochelle Feder Hansen
